Crib 5

The Sareer Dorchester is an excellent choice for landlords, student accommodation, spare rooms, and the hospitality industry.

It is manufactured in the UK and meets the Crib 5 specifications.

Containing a 1000 premium pocket spring unit which is expertly designed for extra support and comfort, it will leave guests feeling refreshed after a brilliant night's sleep.

Featuring a striped 100% cotton cover, the material is natural, breathable and absorbs moisture, therefore any air trapped between the fabric and your body can circulate keeping you cool as you sleep.

This cover is perfectly designed and woven tightly to prevent the possibility of dust mites.

The medium feel mattress has a depth of approximately 8 inches.

All the mattresses within the Sareer Contract range conform to BS7177 ignition source 5 for medium contract use.
